“ I deeply cherished all my time with Mr. Stanich as my Father In-Law more than anything ever in my life! 🙏 He was my mentor and father figure for 18 years and didn't treat me any different as if I was his own son! As his only son in-law, I spend more time with him than any other male this century and deeply saddened he's not on earth anymore. He will always be remembered by me as a great man and his political philosophy and great historical facts and figures that I will carry on with me FOREVER!

He's in a better place in Heaven now! 😊

Luv Always,

Peter was such an accomplished artist and a genuinely kind and gentle soul. It was a privilege to know him and to view his many works of art. We pray that he is now at peace with our heavenly father. Susan Rollman and Mary Ann Schlosser.
