“ I'm very sorry for your loss. My father fell asleep when we were 15. I still have a wonderful comforting letter Phyllis wrote to me. I've never forgotten the kind words she wrote. It does get better as time goes on and the happy memories out shine the sad ones, but you'll never forget. Loving family and friends fill in the time. Gods comfort and blesses to your family. “ I have very fond memories of Mr Sapienza. He was always a kind person and fun to be around. As a family they are some of the best people you can meet and Mr Sapienza was a big reason why. Sad to learn of his passing.
