“ *Phyllis and Tony were great people and awesome neighbors. Debbie and I moved in to the neighborhood four years ago. They were the first neighbors to come over and welcome us. We went to gatherings at their home and had many conversations over the past 4 years. She would grab boxes left on our porch and was there to let us know they were safe and sound. We will miss her as we miss Tony. May she rest in peace and be reunited with Tony up there.*
