“ I met Mrs Odle when I bought a piano she was selling. I heard wonderful things about her. She was a person I will always remember. She gave me a bench cover that she had made. It looked like a piano keyboard and notes. I wanted to share this with her family as they go through this sad time of grief. God bless you all. Marie Cooper

“ One of my best memories from Beaver Dam Elementary was music class. Ms. Odle brought music alive for me. From learning “there was an old woman who swallowed a fly” to auditioning for Annie in the school musical she cultivated a love for music that has lasted a lifetime. What an amazing gift she gave to so many. Prayers for peace and comfort to her family and friends.

“ *My condolences to the family. Mrs. Odle was my music teacher at Beaver Dam Elementary for several years. Each year she would prepare every class for their part in the school play. The plays were complete with costumes, sets, music, and songs. The entire school took part and we performed for parents, grandparents, and friends. I still remember some of the songs she taught us and have great memories of her class.*
