Tribute Wall

“ *My dad was handsome, funny, outgoing and charming. I have many memories as a child, but sadly not enough as an adult. We were estranged for many years, but a week before he passed, I called him and we spoke for a few minutes. He had advanced dementia and whether he knew me or not, I don't know.. I like to think he did and this was GODS way of letting me know I needed to call him.*

He is at peace now and resting beside Marian. This is what he wanted.
