“ You are loved and missed by so many baby girl. We had so many
memories together and I promise you I will always cherish and keep
them alive. Your spirit is with me everywhere I go. My heart isn't
ready to let you go. I'll never forget your laugh or the way you'd
stare at me and then just laugh anytime I did something stupid. I
can't see Hello Kitty now without seeing your smiling face or hearing
your contagious laugh. You touched so many lives and even though
you're no longer physically here, I know you're watching over me.
Rest easy princess.

“ *I will miss seeing Samantha's smiling face come into my office at Horry Georgetown Tech! She was always so bubbly and would make my day with her positive attitude. I can hear her voice in my head saying "Ms Lynn" every time she came into the office or when I would see her in the halls. She was always very respectful. Sorry I cannot make it to the services but she has been in my heart and prayers every since I heard. From Mrs. Lynn DeVincentis Admissions Grand Strand Campus HGTC.*
