“ Worked for many years with Priscilla here in NY, she was a wonderful person. Prayers for your family at this very difficult time of loss. Barb Proper  
Hope this verse will help to ease your pain.

To my dearest family,  
Some things I'd like to say...?but first of all, to let you know, that I arrived okay?  
I'm writing this from heaven. Here I dwell with God above?  
Here, there's no more tears of sadness; here is just eternal love.??  
Please do not be unhappy just because I'm out of sight?  
Remember that I'm with you every morning, noon and night?  
That day I had to leave you when my life on earth was through,?  
God picked me up and hugged me and He said, "I welcome you."  
"?It's good to have you back again; you were missed while you were gone.?  
As for your dearest family, they'll be here later on.?  
I need you here badly; you're part of my plan.?  
There's so much that we have to do, to help our mortal man.  
"?God gave me a list of things, that he wished for me to do.?  
And foremost on the list, was to watch and care for you.?  
And when you lie in bed at night, the day's chores put to flight.?  
God and I are closest to you....in the middle of the night.??  
When you think of my life on earth, and all those loving years?  
because you are only human, they are bound to bring you tears.?  
But do not be afraid to cry; it does relieve the pain.?  
Remember there would be no flowers, unless there was some rain.  
??I wish that I could tell you, all that God has planned.?  
But if I were to tell you, you wouldn't understand.?  
But one thing is for certain, though my life on earth is over.  
?I'm closer to you now, than I ever was before.??  
There are many rocky roads ahead of you and many hills to climb;?  
but together we can do it by taking one day at a time.  
?It was always my philosophy and I'd like it for you too...?that as you give unto the world, the world will give to you.  
??If you can help somebody who's in sorrow and pain,? then you

*can say to God at night....."My day was not in vain."?  
And now I am contented....that my life has been worthwhile,?  
knowing as I passed along the way, I made somebody smile.??  
So if you meet somebody who is sad and feeling low,? just lend a  
hand to pick him up, as on your way you go.?  
When you're walking down the street, and you've got me on your  
mind;? I'm walking in your footsteps only half a step behind.??  
And when it's time for you to go.... from that body to be free,?  
remember you're not going.....you're coming here to me. ??

*I have known Priscilla for 6 years through our church Union United Methodist in Conway. We sat side by side in the choir (she was my singing buddy) and I have never heard a more perfect alto voice, just beautiful. She was the quietest, most unassuming person I knew. Never wanted the attention on her even when she sang a solo...I held the microphone for her several times. She was a back row singer but everyone knew she was there because of that perfect pitch. She could be very sarcastic and oh what a dry sense of humor! I do miss her already and will continue to until we meet again on the other side. I pray God will wrap his loving arms around George, Abby, Ian, Jessica, Jason, Adalyn and the entire family. Give them peace, strength and comfort Lord Jesus. Keep singing Priscilla...love you!*

*Dear George,Abbey,and,Ian,  
I am so sorry for this truly tragic loss. I knew Priscilla most of her life in Pavillion, New York and know she will be truly missed by your family and all the Rudgers family as well. She was a very special lady- always(usually)smiling and making the best out of any situation and giving others smiles with her sense of humor. Abbey and Ian-I send hugs and prayers to you. Carlotta and Jess, there aren't any words that can say how devastating this must be to you too. I can only say she is in the arms of God,Steve, and your Mom and Dad. You are all in my thoughts and prayers. Ginger Sackel*
