“ Mrs. Vander Weel was my 3rd grade Teacher at Brocton Central. I have a lot of fond memories of her and your Dad. She always was smiling and laughing. She was a great teacher. I still remember that she gave me an award for being a slow but accurate worker. The award had a picture of a turtle on it. She said it might take me a while to do something but when it was done it was accurate. I haven't seen her in years but thought about her often. God Bless you all at this time. Tracy L. “ Sorry to hear of Priscilla's passing. I taught with her in Brocton for many years and still recall her smile and laughter. Nice to hear they had many years living near family. Jack also taught next door to me and as they say... "those were the good ole days"!! Fondly, Carol Smith Hussey.

“ Sorry to hear of her passing, and also that of her husband. I was just telling my husband about some of the fun times I had spent in his 5th grade class in Brocton. I was in one of the first classes when he came there. I always brought my lunch and usually had popcorn in it so he started calling me "popcorn" and did right up to the time when my children were in same school. They bought a place up on the "hill" and only lived a few miles away. They were such wonderful people, you are lucky to have them as parents. My thoughts and prayers are with you.

We were so sorry to hear of your Mother's passing. My husband , Tony, worked with both of your parents at BCS until we relocated to Albany. We remember when both of you came home; what a joyous time in their household. You made their lives very full and happy. We had a lot of good times, and a lot of laughs. May your lives continue to be full with happy memories. In sympathy, Julie and Tony Bifaro.
