“ Johnny & Little Johnnie even though it has been 7 years I still think of Louvenia so often. She was such a wonderful friend to me as well as the 2 of you. I lost my Mom & Dad both in 2010 about 4 months apart. I am now raising my grandson so I know how much Louvenia must have loved little J.T. I think of you all often and I have such wonderful memories that all of you helped make when I lived in Myrtle Beach. Know that Louvenia is still thought of and missed to this day by all who loved her so dearly.

“ *John: I heard about Louvenia's passing and unfortunately I was keeping my grandchildren this weekend and could not come to the funeral. I know that you probably are feeling lost without Louvenia. Though I had not seen either of you in a while...this came as a shock when I heard about it. I will keep you in my thoughts and prayers. God will provide you with the strength to get through this difficult time...just hold on to him. Peace.* *###imported-begin###Sylvia Harrelson Pate###imported-end###*

“ When the Lord called our precious and dear aunt home, he leaves us a gift of memories to hold on to until we meet again. When our hearts are empty we can fill it with all the happy memories we all had with Aunt Louvina. She was a special part of our Brown family and will be missed so much. We as christian can take comfort that we will be reunited in heaven with her again soon. With deepest Sympathy Tracy, Tracy, Haley and Cody Davis.##imported-begin##Tracy Davis##imported-end##

“ Little Johnnie and Big Johnny. My family has been blessed to be apart of Louvina's life. She was a peace maker, a mother,a grandmother, an aunt, and a friend. So many jobs yet handled them all so well and kept everyone in touch. We should all thank her for the years of love and support not just for her family but for everyone who has ever met her. She is at peace and is no more in pain. We should all be thankful that she is at peace now. We love you dearly and will never be forgotten. In our hearts always!! Love you! “ While we are growing up often times cousins grow apart and away from the daily contact with each other. This does not mean that we do not care or Love each other, just that life pulls each in their own direction. I am glad that I grew up knowing my cousin Louvenia Brown. I will always carry the wonderful memories of those growing up years with me as long as I live. These even death cannot erase. Johnny my heartfelt Prayers go with you and your family, for what I know is a terrible loss.###imported-begin###Larry Wood###imported-end##
