“ To Eddies family I'd like to pass along my condolences about the loss of your loved one. May God be with you all as you now celebrate his life. Rest In Peace Eddie!

He was such a great guy and with his knowledge and his worker, Candy, they were able to help so many people within our housing development (Southwood). I can't tell you how many irrigation systems were repaired or replaced. He'd walk around my yard, assess the situation, take off in his white pickup truck and return with all the necessary repair parts. His knowledge of these systems was amazing.
