“ *Dear Tim, This time in your life is hard, and always know you will have a friend to talk to when you need. You are a good son, always there to help your parents. Its okay to say "I have to go to Dads", because that is where you're going. Although he is not here physically, he is here in your heart. I still go to my Dads, and he's only in my heart....##imported-begin##Kim Langford##imported-end##*
