“ Our deepest condolences to the Pizirusso family for the passing of Ralph. He was a gentleman and when we were together, often spoke about how much he loved his wife and daughters. We enjoyed golfing together and were amazed at his wonderful woodworking talents. We will miss him. May his soul Rest in Peace in heaven for eternity.

“ Our hearts are truly saddened by the news of Ralph’s passing. He was such a kind man with a huge heart and great sense of humor. We were part of the “original gang” of Wild Wing and had some great times with wonderful memories. Ralph did so much for our Community, he will surely be missed. Our thoughts and prayers are with MeMe and their family at this very difficult time.

Sincerely,
Mary Ann & John Shevchik

“ I recently moved from Muscovy Place and was saddened to hear of Ralph’s passing. My love, prayers and thoughts go out to you, Meme and family. Ralph was one of the nicest, caring and generous people I have ever known. We loved to laugh together and share recipes. I lovingly referred to him as “Biscotti” because he made the best ever- and he knew it! I will miss his jokes, his story telling and peaches he would pick in his yard and leave by my door. Muscovy Place will never be the same without his smile, but we will cherish and remember the fun times we shared with him. That’s the way he’d want it!
