“ Dear Ginny, Rhonda, Terry and families, We would like to thank Terry for calling to inform us on Ralph's health and about his parting words. It deeply saddened us to hear of his passing. The world has lost a wonderful person and heaven has welcomed one energetic character as a new resident. Our whole family has wonderful, joyful memories of Ralph. He was the first one to welcome the Daly family to Cayuga. He always had a smile on his face and a robust, sincere, greeting for everyone. His heart was as big as Texas and we loved the accent in his booming voice, especially his booming bass in the choir. He always made "A Joyful noise". Ralph was a devoted friend and neighbor- always ready to help, encourage, and serve. He was devoted to his family, his community, the school, and most importantly, all the young people. He was an outstanding example to the youth of our area. He gave them a place to grow and play safely and encouraged them in their pursuit of sports. He was Union Springs' biggest sports fan- not bad considering that he had two daughters- he had a lot of "honorary sons". He was also the official and unofficial coach of many sports teams as well as the post game analyst. Union Springs lost a beautiful, 21 year old young man and athlete to cancer, on the same day that Ralph passed away. I would like to think that Ralph and John Howland "hooked up in the heavenly line" and that Ralph has a new protege and John a new friend and coach. It was a joy and privilege to know Ralph and Ginny, and Rhonda and Terry. John and Norma enjoyed the many wonderful visits and meals they had with the Hooks' when visiting Myrtle beach. They loved seeing Rafael and watching him grow and hearing all about Rhonda and Terry's lives and careers. Please know that although we can't be there in person you are foremost in our thoughts and prayers. We have only wonderful, positive, loving memories of Ralph and your family. With much love to you all, John, Norma, Kevin, and Todd Daly Ron and Nancy Daly Chretien###imported-begin###The John Daly Family###imported-end###

“ My deepest sympathies to Rhonda, Terri and your mom on your loss. I have many wonderful memories of your dad and his great sense of humor. He made everything fun and anyone that knew him throughly enjoyed being in his company. I'm so glad you all live in the same area and will have each other to lean on. He must have loved playing with his grandchildren! My mind is flooded with memories of the years when Rhonda and I were growing up and the many sleepovers I had at your house. I especially remember the trips to Texas and Lake Placid where your father had me convinced that there were bears outside that beautiful camp we stayed in! My thoughts and prayers are with you. I posted a picture on the Auburn, NY obituary page in the guest book. The picture is of Rhonda, Terri, your parents, your grandparents and Uncle Giz and Aunt Laverne sp? that I took when I went with your family to Texas--I think we were about 13. I hope you enjoy the picture. Take care.
