“ Some of our best memories are those spent with Ralph, fishing at the farm or at Ocracoke. He was always there to lend a hand or give you a better perspective of an issue that you could not understand. He was a good man, loving Uncle and has left a void in our hearts. Rest In Peace. Love John & Kristie

“ You touched so many lives, and made so many people smile. You gave me a wonderful husband, who loved you dearly. You taught him how to love me and make me happy. I am so proud to be your daughter in law. I love you and I am so thankful to have spent your final hours by your side. I would not trade that time together for anything. You touched my life and it will never be the same. Your memories will make me smile. Thank you for your love and accepting me into your family...I will never forget my wedding picture when we kissed after our vows and in the photo, you had your lips puckered up like you were kissing someone...what a memory that I can always laugh at. See you again one day. I will take care of your son.
