“ Timmy, Robert and I are so saddened by the loss of Ramell. She was such a kind soul to all who knew her. She had an inner strength about her that was so visibe, to everyone who knew her. One thing that was always true with her, was her love for you and the life y'all built together, and may that give you comfort in the days ahead. She was not just your wife, but also your best friend and everyone saw that quality about her. Her light shined brightest when you were by her side. She will be missed for sure but remembered for a lifetime.

“ My sincere condolences to Ramell’s husband and family members. I regret not staying in touch with her over the years, but she was a close friend of mine when we were young. Ramell served as one of my bridesmaids in my wedding in 1961. She was a true friend. I visited her in her family home on Highway 544 many, many times and was always welcomed by her loving mom and dad. I remember the sad time, too, when her sister, Nancy, died unexpectedly of diabetes shortly after she was married in her early 20’s. I will always remember Ramell, her quiet-like laugh, and kind personality. May she be reunited with all those she loved, but especially her mom and dad, and sister, Nancy.
