“ Please accept our deepest sympathy on the passing away of Randy. I was born and raised in PA and was working in Charlotte NC but wanted to move back to the Northeast. Randy hired me at NiMo in 1976 and I worked for Randy and Art Peck until both of their retirements . It was a pleasure working with Randy. So many stories that I can tell! And how many holiday dinners that Miriam and Randy invited us to. I will always remember Randy with glad thoughts and you should be very proud of your father. Sorry about his passing away.
