“ So sorry to hear of Ravonda's passing. We were neighbors when she lived in Greensboro. There was a group of us at Yester Oaks that played bridge together and took some great trips. Please know that we are keeping you in our thoughts and prayers. Bob and Charlotte Peck

“ Our love and prayers go out to Shelley and Mitchell and their families. We considered Ravonda our very good friend and she was such a wonderful friend to us. A better friend you couldn't find. She called out of the blue just saying she was thinking of you. She shared her home and her life and we felt her family was our family. We were happy for her when her grandchildren did something that made her so proud and we were sad with her when a friend of hers was ill. We will miss our buddy and our lunches we celebrated regularly. A piece of our foursome is missing. With sadness but happiness for where she has gone. Pat, Shelda and Sue
