“ Dear Laura, Returned to SC and saw the very sad news in the paper. Although we didn't get to know you as well as we could have, we will always remember you as the first two "Pawleys residents" who shared some of your experiences about living here, with us. We still remember the conversation standing in front of Hanser House. Please let us know if there is anything we can do. You and your family will be in our thoughts and prayers. God Bless.
