“ Ray and Phyllis were very dear friends and neighbors of mine for many years in Jensens. My sincere condolences to their family and friends. Rest assured that they are now reunited in their heavenly home and all is well even though those of us left behind will always remember them, miss them, and cherish our remembrances of them. God Bless and give you peace.

“ I remember flying to NY as a kid, and taking the elevator alllll the way up to the top of their apartment building in NY, grandma would cry when I visited back then, and she cried every time any of her grandkids would visit, no matter how old we were (happy tears) And just like my grandma Hargat, I enjoy my glasses of wine every evening :)

Mr & Mrs were great parents. They worked hard worked to provide for the families. At the A&P Mr H looked down and said hello Michael, he looked 9 ft tall cause I was only 4! He lived by us on Monroe St. in Mt Vernon. Then in Yonkers I met Ray Jr and Robert was in the crib. You will be missed Mr Hargat. You have a wonderful family Michael DeGrego

“ When Chris and Jimmy were little they used to love going to Yonkers and pushing the elevator buttons to get to the apartment . They thought that they were in the city. Phyllis used to make the best cauliflower casserole.

“ Grandpa was the last known man to still use a camera with film. Made me laugh everytime we posed for a picture and he had to click forward for the next picture.
