“ Jeff, Elaine, and Lisa so sorry to hear of your Dad's passing. When we were kids I always remember finding out he flew helicopters, when he was in the Army, which I thought was cool. I also remember the time we were tagging along while he and my Dad played golf and he chipped in from below an elevated green (blind shot) - know how much he loved to play golf. Funny the memories that stick in your mind. Again sorry for your loss, Ken Custer
