“ You will be missed so much grandpa. I miss walking into the house and hearing tinker bell is hear. I'm gonna miss fighting with you say i love you grandpa before I leave and waiting at the door for you to say t back and I wouldn't leave until you did. One of my favorite memories is when you were in the hospital and Xavier and I came to visit you and you thought I beat him up because he had bruises on his arms and his infection in his face and you two made fun of me. I'm gonna miss our talks, our debates, our jokes, you telling me about your past I'm gonna miss the stories of you and grandma. I love you grandpa so much are you will be missed so much. Have fun in heaven or where ever you are I hope pi and granny are having fun with uncle Colby uncle Russ and everyone lloveyou so much 🤔😭 I love you ugly  
Love your uglet

“ Ray, we were together for 35 years, long time, for both of us. We weathered all the storms that befell us and enjoyed some good times too. It doesn't seem right that now you have to leave, but I know that you are no longer in pain, and not attached to a hose 24/7. I miss your sarcasm already but we will see you again. Manny and I love you R.
