“Whistle” and I were classmates at KMHS Class of 1951. I remember his bandaged face on the group picture. He was being himself playing with some lighter fluid with the container lighted. He was the class clown--loved by all classmates. My sincere sympathy to his family! Bob Edens, Sanford, NC

“ Winnie, Randall, the boys and I will always have special memories of Whistle. He was truly a special man. We especially enjoyed the fun and laughter along with the great food at his cookouts. The boys loved the rides on the golf cart and his pranks. He will be truly missed. Sending you all our love and prayers. Love Amy, Randall, Adam, Dalton, and Cole Huie.

Ray Goforth was my friend. He had 100s, probably 1,000s. I do not. That is why he was so precious to me. I met him through his wife to be, Winnie. I have known them for 35+ years. I have never known a woman any better suited for a man than Winnie. She has lived her life for him. There can be no greater compliment than that. The last time I saw Ray, Winnie brought him by for a short visit. When Winnie told him my name he took my hand and held it with a remembrance of an old friend. That will be my lasting memory of Ray. When the great Stonewall Jackson passed, he rose in the bed and pointed out the window and said..We will cross the river here and rest in the shade on the other side. My Ole Pard is resting in the shade on the other side. I love you Ray, you are my friend. R.D. Neck from UCLA.BB
