“ I am so very sorry. Ray was my cousin down south that I looked forward to seeing when I visited my Mom. We would go to the movies or preferably fishing. We've only exchanged Christmas cards over the years as we were both so busy with our families. It has been so long since my last visit but my memories are always in my heart. “ Ashlie & Destinee-- I remember that day we were all at IHOP and they were having that pumpkin milkshake contest. You both made us laugh so hard! I remember thinking how special your parents must be to have such amazing daughters. You both light up a room when you walk into it. I know your mom & dad are looking down on you right now thinking what a fabulous job they did! We are thinking about you, and praying for you.
