“ *My sympathy to your family. Raymond and I became very close friends the past few years, as neighbors. We talked about going fishing, but didn't get to. He was a dear friend to me and like a brother I never had. I will dearly miss him and his dog, which he did love.*

I am happy he told me he was ready to go and he has gone to a better place, now resting peacefully.

Love you, Raymond

*Hi Billy,
I'm Raymond's niece and I'm just now coming across this as I was googling for my grandfather's obituary. Thank you for your kind words and we do miss my Uncle Kennert.*
