“ *From Your Brother Robert: So much sorrow,with infinite pain,the emotions inside,I could explain.My brother has left,as I stand here and cry,my burning tears,are asking me why.I'll cherish those memories,both of us shared,he was a person,that genuinely cared.I miss him so much,just can't say goodbye,I know he'd want me,to keep my head up real high.I loved him so much,my brother and dear friend,I wish I could wake,and this nightmare would end.But now I must let him,just rest in peace,his memory and image,I shall never release.*

“ Goodbye my brother for now we part  
There's an empty place inside my heart  
Life lead us in different directions  
Our paths not often crossed.  
Too soon!! Too late!! All is forever lost  
If the end is not the end one day  
We'll meet again. Love you my Brother
