“ I knew Scott when he worked in St.Matthews. He always seem to have a way of making the bad days seem brighter. It is times like these you wish you had all the time in the world to keep in touch with everyone you ever knew. He was truely a great guy. I am really at a loss for words except to say, All of my thoughts and prayers are with Scott's family. God Bless.##imported-begin##Holly Stone Norton##imported-end##

“ My Prayers and thoughts are with Scott's family. I knew Scott when he lived in Cameron, SC. I worked at the gas station there. He would always ride through the parking lot and wait for me to wave to let him know I was okay. We became friends when I worked there. It saddens my heart to hear of his passing. He truly was a good man and an excellent state trooper.###imported-begin##Amanda Binnicker Farman###imported-end##

“ To the James Family: I am the Auditor for Calhoun County and got to know Scott when he worked here. I was always included in the little parties that they would have over to the Magistrates Office w/Bob & Becky. I've kept in touch with his condition & sent him cards. He was a great person and will surely be missed by all of us in Calhoun Cty. that knew him. Please know that my thoughts & prayers are with your family. May God Bless You!###imported-begin##Pamela Rickenbaker Taber###imported-end##
