“ I miss you so much. My birthday passed and you werent there. No one could celebrate a birthday like you could. One of the best times I had was at your 50th! I wanted you to be there for mine, and for Taunda's when it is finally her turn..and like we were for Patty's.. I wanted you to be excited and happy that my kids were getting married and having babies like I did with yours. We were supposed to grow old together and take care of each other and always have New Years together. Noah is going to be a year old. Where does the time go? I love you and I know your legacy will live on through your family and their children. But,I feel like I was cheated. I lost my South Carolina sister. You made me not miss home so much. The flowers are blooming. My gladiolas will always remind me of the one who gave them. But when I see them, it wont be the same. I love and miss you girlfriend. I so loved that you were finally so happy again. It isnt fair. It still hurts and it will..... Until we meet again..... I love you.##imported-begin##Kathy Cast##imported-end##

“ Our deepest sympathy to all the family of Dear Becky. In particular, we wish to express our love and best wishes for Sylvia, Angela, Rhonda and Rock in your time of great sadness and loss. The many miles and years between us have not diminished the fond memories and feelings we have for all of you and Becky. We will always remember her as beautiful, sweet, gentle and loving person. I, Garry, regret not sharing time with Becky in my adult years but am, none the less, greatly saddened by her passing. We are grateful to have known Becky and take great comfort in knowing that she has found peace in a Paradise where there is no suffering. Much "Aloha" from Hawaii, Cousin Garry Stahl and Aunt Callie Stahl

“ My heart breaks for all of you. Becky and I were very close friends in high school. I had the chance to talk to her in September this year and she lifted me up instead of me lifting her up. She was a true friend and I will always love her. Rhonda, Rock and family I will be praying for all of you during this time, my spirit will be there as I can't be there in person, I just lost my dad and I still can't leave mom, but I will keep you and Becky in my thoughts and heart. “ How can I put into words the things I feel so strong in my heart? I loved her more than a sister, friend or foe. She is my deepest soul sister and friend I could have ever had. Becky and I have been through some pretty rough times but she always came out on top. Now she has hit the highest she can get. YOU GO GIRL!! From 8th grade we became close friends and NEVER let anything get between us. I guess some of the happiest days were playing softball and fellowshipping together. Our reunions won't be the same without her. She was always my dancing partner without question. We would dance all night together. I love my Beck-Beck and will always miss her, especially on the trips to the Beach. That's the main reason we came. God has really blessed me in this life with such a true friend. I hope he blesses me in the here after with her too! She grew from a insucure young lady into a very well liked and strong woman. Mike, you are a wonderful man, and I thank God he allowed you and Becky to become partners in this world. Know that we all love you and will always be your friend. Our prayers are with you, Greg, Taryn, Justin and all of your families. May God give you all the peace beyond all understanding. We love you guys!! “ My Dearest Mike & Family, Mere words cannot convey how I truly feel in this moment as each of you are deeply in my heart at this time and will be for some time to come. I know Becky is free from all alarm, disease and harm! She will remain in my psyche as she too is a BIG part of my life. I've forced myself to 'image' and relive innumerable FUN and fantastic times we've shared and am counting the ways in which I can carry her with me into the future as a friend, a spiritual guide and an example. A special thanks to Celeste for keeping me abreast these last few weeks as I've not been local. My prayer for all of you is that your peace and understanding will be soon restored and that the life we NOW create will be filled with love, light and lots-of-fun, just like Becky truly did it!!!
