“ *Becky and I met in the early 2000's. With her being such a big nascar fan in love with Tony Stewart and I also a big nascar fan in love with Dale Earnhardt Sr we quickly became best of friends. Besides our love for Nascar, we also share three beautiful, wonderful grandkids Caleb, Brady and Sydney as well as one great grandson, Paxton. You will be so greatly missed my dear friend. RIP Becky! I love you!* ”

What fun we had in Bible studies. She was such a delight. We were both born the same year and same name so we decided we were twins. Was sad when she moved but knew she loved the beach. I am very thankful I got to be her friend and know she is pain free and at peace.

I met Sweet Becky on a cruise. I had the honor of being her guest at dinner each evening on the ship. She was such a delight to know. We became friends on facebook and I so enjoyed getting her post. Such an inspiration and pleasure to call her friend. I will miss seeing her at singings but I know she is singing in a Heavenly choir. Rest in Peace my dear friend, so sorry you had to suffer but now you are pain free. Prayers for the family in their time of loss and grief.
