“ *You stayed up late and sewed dresses for me and Pam, so that we could have them to wear the next day. You cherished us, and your grandchildren. You were a friend to everyone you met, and the love you shared was abundant. We will miss you so much.*

“ *Dear sweet Sue, you have been a real friend for years and years. Your friendship has meant the world to me and so have you! Though we haven't had the opportunity to spend as much time together as we would like to during the last few years, our hearts have always been locked together forever! I love you!*
