“ Uncle Redgie,  
*I don't have the words to tell you how much you helped me. I did everything I could to hang out with you every other weekend. You gave me guidance and let me make mistakes along the way. You would sneak me off to play golf or hunting when you know I needed it. Thank you for listening and letting me be the man that you we're proud of. I always thought that you were my biggest fan. I know that I wasn't always there for you, when you needed me. But you never made me feel like it. I miss you and think of you every day. I love you uncle reg..... BRAD*

“ Sue, our thoughts and prayers are with you and your family on the loss of Redgie. I want to thank you and Redgie for remembering the children at Mooseheart in this time of hurt and loss. Children who are dealing with a time of crisis in their own young lives will be blessed because of your compassionate thoughtfulness. I didn't have the chance to meet Redgie, but I can imagine he had a heart of gold.
