“ I remember Rendel Riding his horse over to grandmas house and letting me ride by myself, with him walking along. I was probably only 6 years old. When I got my own pony, I was allowed to ride down the road to my cousin Sandy's house with Rendel. He also gave me a St. Bernard dog named kojack. I can remember going with my daddy to visit them and being so disappointed when Rendel wasn't there. He was such a kind person. Praying for his family, for healing through this difficult time.

“ Rennie, I am so sorry and you and your family are in my prayers! I always had fun with him because I called him “Levi” my tax collector! Anytime I had a tax question I would call the office and asked to speak with Levi and his secretary would know who was calling. Every time he saw me coming, he would give me the biggest smile. Heaven gained a great man !
