“ I went and visited Grandma Renee on Tuesday November 8. I will never forget when I said to her, "Grandma Renee, Do you know who I am?" She responded, " You're Jessica, I'm not crazy yet." I couldn't help but to laugh. Little remarks like that is one of the things I will remember about her. I wish I could have spent more time with her, but I am so thankful that she was saved before she passed because I know I will be able to see her again one day. I love you Grandma Renee!
