“ *Resi was a very kind and caring neighbor. If ever I needed a baking pan or stick of butter, Resi always came to my aid or if I just wanted to chit chat, Resi and Merle always had in open door policy. Merle would tell his jokes Resi would talk about their travels, the grandkids and their children's life's. I finally got you Resi when I stuck your gift into the moving boxes. Resi would always send some goodies, homemade jam her famous cookies that she made. Resi loved Benicia and Clearview Circle was never the same without the Nickell presence. Tom and I will miss you very much. Love Jane and Tom. ?*

Resi was a special lady who was very kind to others and full of life. We shared more than 25 years of friendship which began when she and Merle first moved to Benicia and were my next door neighbors. She became a surrogate grandmother to my daughter as my own Mother passed away too soon. I will always remember the meals we shared, concerts, and our numerous adventures in the Bay area. She loved chocolate, a good cup of coffee, Reisling wine and Coq au Vin at her favorite restaurant, Bistro Jeanty, in Yountville. The world is certainly a better place for Resi having been in it. With much love, Ruhe in Frieden, Dear Resi.
