“ Bob and I fianlly found where Carolyn was, and we visited her on Friday. I had had a letter from her earlier in the year saying that she could only have visitors from 2-4, but we could come any time. I knew than that the cancer was aggressive. I had tried phone and email to no avail. We are so thankful that we did get to see her. She was always special to us and our children.##imported-begin##Bob and Virginia Horton##imported-end##
