“ Chantel has kept me aware of what has been going on in your lives and I have checked your blog almost daily. Our church intercessors have prayed for Rhema and both of you every Tuesday night since her birth. We all rejoiced in your victories and now we literally weep with you. I told everyone about Rhema's passing yesterday and tomorrow night we will continue to lift you up before the Father. He is so close to both of you right now and I know that He will speak to your hearts the words you need. We have prayed and will continue to pray.
