“ Rhonda and I were high school friends and I hadn't seen her in many years but I had reconnected with her shortly before her death on face book. My thoughts and prayers are with the Osborne family during this trying time.##imported-begin##Maxine Alford Minnamon##imported-end##

“ My Girl Rhonda was such a beautiful person inside and out! Most of the times we spent together were soooooo much fun! She could make anyone laugh! She really meant a lot to me. She was a great friend to me. I can't count the times she extended her strength and joy to me. She had such a kind heart and was one of the most genuine people I knew. I love and miss her. I know all of you do too. I pray that you will always remember how much Rhonda loved her family and friends. I'm so sorry for your loss. My fondest memories of Rhonda and I were growing up, sleeping over and going to Sportsworld to go skating every weekend we could. The Osborne family took me in as one of their own. Scott and Rhonda were like my brother and sister. She will be missed. May you lean on each other in your time of grief and may the Lord above watch over each and every one of you and give you strength. She was truly an amazing girl and will be missed by so many.
