“ She was my 'Sis'! I don't know how I'm going to go through this life without her. I can still hear her laugh, as she always laughed. I can still hear her say 'I love you' as we never ended a conversation without those being our last words. Knowing I was the last to see her, I will always hear 'I love you Monica ' . My heart hurts for my lost, but I also worry about the pain our mom and my nephew will be enduring. We are not supposed to question God as he has plans for all of us. My dear God, please give us strength to get through this and help us to keep her mermories alive by sharing her laughter and the great person she was to the rest of the world. I love you Rhonda and I will miss my Sister so very much!!!!

“ Chris, I remember your Mom used to shop at the Food-lion store that I worked at, She always stopped and we would talk about you and your family and how very much she LOVED all of you . She was a very dear and sweet lady and I know your heart is broken . Please know that Chuck and I will hold you in our hearts and in our prayers. May Gods grace and love be with you now and in the days to come. Chuck & Susan Johnson....Conway S.C.

“ Words can't describe how great of a person that my Mom was. She was loved and adored by many. The world will not be the same without her in it. It breaks my heart that she was taken from us at such an early age. I only wish that I had one more moment with her to hug her and let her know how much I love and adore her. I will always remember to share stories of my Mom with my children so they too will always remember how great of a Mom and person she was.

Love you so much Mom,

Chris Hardee
