“ I am very saddened to hear of the passing of my dear friend Rhonda. She often told me how much she appreciated me for keeping in touch with her and how much she loved me for uplifting her spirits. She is now at peace and has gained her wings. Fly High Rhonda and Sleep peacefully. I will miss our conversations. :(

“ Dallas and Tyler, and the entire family, we are thinking of you all during this most difficult time. Rhonda fought the "C" battle hard and set an example for others to follow. Cherish the memories.
