“ Rhonda was such an amazing woman, beautiful inside and out. She’s one of the most thoughtful, generous, outgoing, outspoken, supportive, caring, and loving person. She always made people smile with her charisma. She loved her children beyond measure and loved those grand babies beyond words could ever describe. She loved being their Nanny. She had a love for her sisters and brothers that could never be measured. The love for FAMILY showed in her everyday life and I am proud to call her my Aunt .

“ Ms. Rhonda will surely be missed by many! I will always remember the story she told me about when the daycare wasn’t taking care of Abrielle like they should. She let them know exactly how she felt! She definitely didn’t play about her grand babies, and they loved her dearly! Praying for God to strengthen and comfort the family and especially her precious grandchildren!! 🙏🙏🙏
