“ Richard Nelson Booth, my best friend in the whole world for the past 30 years, has gone to be with Jesus and is wrapped in His arms at this moment. Please pray for Tami Nesmith Casey and Carla Booth and the Booth family as they are going through this time of change in their lives. Richard was a very private person, he was well loved in his community. He was active in his church and very active with the Boy Scouts of America as he was an Eagle Scout himself. He was also an Extra Class Amateur Radio operator (Ham operator) for the past 30 years. Again please pray for Richard's family. We love you buddy and will see you on the other side.

“ *Carla, so sorry for your loss. What a faithful companion you have been. Richard was a great person, respected by his peers in the legal community. “ *Great man, a great attorney and a beloved friend. Scott and I thought the world of Richard. He always knew the right answer to our problem and if Richard had told us to jump off Main Street Bridge we would have. Sorry to hear about his death, but we know he is no longer in pain. We will miss you Richard, but will see you soon .*

“ *Richard had an analytical and bright mind. We always thought of him as a kind spirit covered by a crusty exterior. Richard loved his family and we are honored to have shared memories with him. Our hearts are filled with sadness but we know that he will be free of pain and enjoying the Heavenly reunion. We send our love and prayers that all the family will feel peace and strength during these days of grief. Love, Alston and Leah Gore*
