“ *My Grandfather meant alot to many many people. He is definitely someone that I looked up to and had alot of respect for. To this day I thank God for every moment that I got to spend with him. Yes he is gone but he is not gone from my heart or my memories. He held on for a very long time and it took alot of will power to do that he is finally at peace and even though we dont have the chance to be with him anymore at the moment I know that he is no longer in pain.. I LOVE YOU PAPA AND THAT WILL NEVER CHANGE!!!##imported-begin##Nicole Walker##imported-end##*
