“ *I served with Richard aboard the DD717 during the Vietnam conflict. We were deployed to Yokosuka, Japan from 66 - 68. We were Boiler Techs assigned to the forward fire room. I have a pic of Richard in a row boat We rented at the Yokosuka Naval Station. We often went ashore together.*

“ Oh, Laura, I am so sorry to hear of Dick's passing. He was certainly a great guy. I loved hanging out at his house---we had us some times ! It was an escape from all those Sterling rules !! And when we were passing through Sterling on a trip back to PA, my oldest, Michelle was with us. She was around 3. Your family welcomed us with open arms. Shawna gave Michelle a doll----so sweet ! The morning we were to leave, Dick had gone out and gassed up our car ! What a generous surprise that was. Dick was really the best and I am so sad he left too soon. Damn that cancer ! I know you will take comfort in all the condolences and memories of Dick, but really don't know how you can bear it. One day at a time and know that all the people who loved him, hold you in their thoughts, too. With sincere sympathies and loving thoughts, "Lewie"/Diane PS Thank you for letting me know

“ I am so saddened for the loss of a good friend. Dick and I were very close back in grade school and high school. I can't begin to tell you the things we did together and the time that we shared with each other. I was just thinking about Dick the other day. I was talking with a friend of mine and Dick's name came up. He reminded me of things that we did back in Sterling when Dick had his truck. I do remember one time that Dick and I were at the river and Dick was driving his truck and I was holding onto the side of it standing on the running boards and I had to jump off or I was going to be taken out by a barbwire fence. We laughed so hard afterwards and thank God I did not break anything. We did not see much of each other over the years but I never forgot about him and the good times we had in Sterling. After High School I went into the Army and Dick went to the Navy and we did not see each other for several years until we ran into each other in Hutchinson Kansas. You were and still are a good friend. I wished I had known that you were sick because in our travels we spend many a day in Myrtle Beach at the RV Park on the beach. Rest in peace my good friend you will be missed.
