Dear Gen:

Jill goggled your last name and Dick's obituary came up much to our dismay. We would like to express our deepest condolences on Dick's passing in 2017. Dick was indeed a true gentleman. We have fond memories of our times together at St. Peter's in Scranton, Pennsylvania. I recall our retreat at Buck Hill Falls in the Poconos. Both of you were very dedicated members and contributed so much including the complete set of Bells for our Bell Choir. We remember you (Gen) as the very first woman to serve on Council. May Dick rest in peace in God's hands. All who had the honor of knowing Dick should cherish his memory because he was one of a kind.

“ You were the baby brother, and now you join your two big brothers in heaven. Share a glass or two of wine with Charlie "Don" and enjoy a laugh.

Dick and I send our love to Gen and the family. Regret that we won't be able to share in the celebration of great man's life and a beautiful marriage.

We love you, Katie and Dick

“ Our most sincere sympathy to Gen and family. We met Dick when we moved to Heritage 20 years ago. When we saw him at church he always had a big smile, called us by name, and made us feel welcome. What a fine gentleman and Christian. I'll always remember his strong voice during hymns. May beautiful memories sustain you.

“ It seems like just a few weeks ago that Dick, Jen, Bill and Ruby were standing with Dan & Rachel at their wedding and getting our pictures taken together. What a happy, special occasion that was for all of us. We shall certainly miss Dick. It was our privilege to know this quite, thoughtful and kind man. We know that all of the family will miss him greatly, but we believe that he is with the Lord which is far better. How wonderful to know that for those who know Christ as their Savior that we will see him again one day. We are so sorry that we cannot attend the memorial service with you, but Bill leaves for Kenya tomorrow and Ruby leaves for PA. We will be praying for you.
