I am so sorry for your loss. I had the pleasure to meet Rich a few times. He was a kind gentleman, a great man. Todd has told me numerous times how he admired his dad. I am sure you have great memories. Keep those memories close to your heart.

“ June 02, 2014
Cheryl, Todd, Jen, Julia and Char,
We are so profoundly sorry for the loss of your husband, father and grandfather. Rich was my brother in law by marriage; but he was much more than that. He was a man of conviction and believed in his family. His presence will be with all of us in the times ahead. We are grateful for the opportunity to be a part of Rich's life. He took care of me like one of his own children, promising my Mom that he would. We love you all.
Cheryl: we became sisters by chance but best friends by choice. We are here for you now and always.

Sue & Bob

“ *I loved that Rich was always so incredibly caring towards his family. Loved to share how proud he was of his granddaughters, so encouraging to his grown children making them feel as though everything would be alright. The bond he shared with Cheryl can't be described with words. I am so very grateful to have known him.*

“ *I just want to say what a great Father you were to me. You were always there for me through the ups on downs in life. You were such a great roll model in life....always telling me to be humble and to treat others as how you wanted to be treated. You were an amazing man larger than life! So kind to all who crossed your path. I will never forget shaking hands with you and looking into each other's eyes, you always had such a sparkle that to this day I still look for in others.*

I will always have all the special moments and memories we shared together inside of me.

I will miss hearing your voice reassuring me that it will all work out!

I want you to know that you are and always will be my hero!!

I Love You, and will look over Mom as I promised!

May the next leg of your journey be filled with excitement and wonder!!

Until we meet again.....your son :-)
