“ Skip and Puddgy is how I know these men. We grew up on Steven's Street. They lived across the street from us. I always liked them very much, Skip especially. He use to laugh at me and all I remember is that cute Skippy smile. He loved my family and we love him. Always respectful and nice. The Stover and Davis send our condolences. So great to see He had a Hugh family to love and be loved. God bless and comfort your family. RIP Skip.
