“ I worked with Dick for three years at Resort Interiors. An easy-going man, he never turned you down when you needed help. I can't remember how many times I had to ask him to show me how to calculate a carpet take off. I learned so much from him in the field! He was always up for a good joke - and his laugh was contagious! He will be greatly missed. My deepest sympathy to all who knew and loved him, Jennifer Loux##imported-begin##Jennifer Loux##imported-end##
