“ Dear Mary (Helen) --
You may not remember me but my mother was quite close to your grandmother, Helen, in State College and we used to play together when you visited her many years ago. I have been in State College recently with my mother, who is in hospice care and I read the obituary for your father in the Centre Daily Times. I am so sorry for your loss. My father died in 1995 and I appreciate how hard it is. My sympathy to your whole family.

I have many fond memories of our fun times and I know my parents enjoyed you very much, too. Your grandmother was a lovely woman -- I can still hear her merry laugh and I remember her black Ford Falcon among many other things.

I now live in Davidson, N.C. -- e-mail is molmor@bellsouth.net. I may not be able to check it for awhile. I would enjoy hearing from you, though.

Again, my thoughts are with you and your family.

“ *Pauline,
Kevin and I are so sorry to hear of your
family's loss. Dick was a very special person
and had a deep love for his family. A great
mentor to some, a side kick for others, but
mostly just lovingly called " HENNINGER "....He will be very much
missed.*

“ *Pauline and family;*

*Sorry to hear of Dicks passing. We were always close at Parsons
Ford and Scoville Ford.*

*He sure was a great transmission man. He would have transmission
parts scattered at
his bench, I'd ask him how's he going to put them where they go? "I
can do it in my sleep."*

What a great man he was.

“ I knew Dick for a short time while we both worked part time at the Ford dealership in State College during the early 1950s. I recall when he bought his first car and the pride that he took in taking care of it. I remember him as a hard working gentleman who had a positive influence on my life.

We lost touch as life moved on but I was always proud to have known him,

“ To the Henninger Family:

May the love of those around you, help you through the days ahead. And may the "peace of God that excels all thought", comfort and strengthen you. (Philippians 4:7)

My condolences,
