“ I just heard of Dick’s passing. Dick was a favorite neighbor of my family when we lived in NJ. in the 70’s We shared so many happy memories and he will forever be my daughter Vanessa’s bee saving hero when she took on a swarm and Dick came to the rescue. Dick was always there when you needed him. He called recently and we had a wonderful chat about the happy times with Rose and all of our children. He will be fondly remembered by all who knew him. “ Dick was a very special neighbor who looked out and protected others at Riverwood. He will be greatly missed because he had heart and made a difference. When we first arrived 2 1/4 years ago, Dick immediately walked out to greet us as my husband unpacked my walker. He told us all about Riverwood and how close it was to the golf courses. A couple of days later, he knocked on our door to say he had ordered a handicap parking sign for me since he noticed the parking permit in our car. Later, he introduced us to his beautiful sparkling wife, Rose, whom he loved and protected. Our most memorable fun moments with Dick and Rose were sitting out for about 3 hours wearing the special glasses Dick got for all of us to wear while watching the fabulous eclipse of the sun. We will miss him as a neighbor and a friend!
