“ To the Hutchings family, I was sorry to see that Rich has passed away. I've known him since the 3rd grade when our family moved to East Hartford. We went to school together at McCartin, Hockanum and Penney High. Also used to see him at Pratt when he worked at the UTC Research center. Always a good guy to talk to. I'm sorry for your loss, he will be missed.

“ I worked with Hutch for several years as a partner. We would always take time during our work day to stop and talk about family and what we had planned for the weekend. Hutch was a one of a kind when it came to his personality and humor. We had some great laughs for sure. Great guy who loved his family and enjoyed his friends. Rest in peace Hutch..

“ So many great memories working with Hutch. He was a great work partner and friend. We could talk NASCAR for hours. Gone way too early, God must have needed battle hardened warriors on his front lines. Till we meet in Valhalla buddy

“ About 20 years ago, Hutch tried to get me in to Corrections, I passed the agility test, then I had a interview, I wasn't picked. But it was a great try. We would talk about Major league for many hours over the years, plus any current events, or family matters, he was my brother-in-law, but he talked to me like a brother, he will be missed for ever, my condolences go to Joan, Tara and the Hutching family

I have countless memories of Uncle Ricky. T-Ball, camping, swimming, bowling, softball, parties and just being together as a family. He was my second dad as I spent a lot of time at his house sleeping over to be with my cousins Michelle and David. You will always be in my heart. I love you always.
