“ To the family of Richard Jakubek, Having read the obituary in the Poughkeepsie Paper, we believe this is the fine contractor who built our home in the 70's. It was built as a demonstration home outside Millerton in what was called Rudd Pond Estates. We remember Richard talking about the winds--his shingles sure held up when others did not! When ever repairs are done, individuals always comment on the excellent work from the structure, to the wiring, to the plumbing. Richard took great pride in his work. He was professional and yet very pleasant to deal with. Thanks to him, we have a home we cherish. We are sure the family is proud of this man for many, many reasons but wanted to share our memory. “ *To the Jakubek Family:*

In this difficult time in your lives, may you find comfort in God's Word, the Bible. James 4:8 encourages; "Draw close to God, and he will draw close to you."

*My condolences,
SJB.*
